The Daylight Store**SOAKING WEATHER**

Weather like what we have had for the last ten days has made us look around and try to get out some special things to keep the trade up where it should be with pleasant weather. Ask to see what we are putting into this sale.

MUSLIN WAISTS.

Muslin Waists have come to be an all-the-year-around Waist, selling equally as well in cold as warm weather. The following we are taking from our stock to sell at a price and this price will be only for one week, then up it goes again to original price.

All our White Muslin Waists trimmed with lace and Swiss embroidery in a variety of styles in both long and short sleeves. Waists that were in our Fall sale at \$1.19, now at just half that price, 59c. (Cost of making not considered.)

Muslin Waists of fine raincoat and Persian lawn, made as better Waists should be made with lots of work on lace edges and embroideries. Waists that we have been selling at \$1.50, now at 75c; \$1.75 Waists for 87c; \$1.98 Waists for 98c.

Just look the above Waists over and see if you can see any reason why we are selling these Waists at the above prices.

These \$4.98 Silk Petticoats Are Not What That Price Usually Suggests.

A SPECIAL WAIST.

The above Waist is made of mercerized Panama, with a full embroidered front just as you see it in above cut. Come in both white and black and this sale is priced at only \$1.00 each.

BEDDING.

We are putting into stock another lot of Grey and White Blankets at 59c each, also another lot of those extra size Blankets at \$1.19.

We have a few soiled Blankets also a sample line of Blankets that was sent to us from the West, no two alike, that we will sell you at a liberal discount, in other words, at what they cost us. They were made too far away to get duplicates, so we are anxious to sell the lot.

One more chance at our 42 by 36 inch Pillow Slips at 12 1-2c.

Our Bleached Sheets that are two yards and two inches wide, are not very fine but have an abundance of wear in them and cost but 59c.

Our very best Sheets are selling at just what we would have to charge you for cotton and no get any profit at that. You save the cost of making. We buy these Sheets for less than we can buy the cotton. (The reason.)

The North Barre second foot ball team played the Independents at Montpelier yesterday afternoon and the game was forfeited to the North Barre team in the first half on account of the Independents refusing to finish the game, claiming darkness. The score stood five to five near the end of the first half and the North Barre had the ball on their opponents' five-yard line when they left the field. This makes the fifth game the strappy Barre team has won this fall. The Independents are made up of the disbanded Montpelier high school eleven.
